

**When you need superior performance, use Platinum!**

**SUPER TWIST®**

**PLATINUM  
GATORLINE™**

Platinum Gatorline™ solves many of the problems that aggravate users of traditional trimmer line. An armored exterior — more resistant to breakage than standard line — shields a highly flexible co-polymer core, providing outstanding durability. Platinum Gatorline is also engineered to resist welding up to 552° F (289° C) — much higher than standard line.

FEATURES	BENEFITS
Consistent line diameter	• Compatible with most trimmer head systems
Armored exterior	• High resistance to abrasion, breakage and welding
Flexible core	• Resistant to cracking and breaking
SuperTwist®	• Less resistance, engine drag, vibration and noise compared with traditional, round nylon lines.

# Platinum Gatorline™ Trimmer Line

<b>.155" GAUGE</b>		
20-108	1 lb. Donut	100'

## IMPORTANT TRIMMER LINE INFORMATION

Any mono filament trimmer line can lose moisture over time or become brittle, especially if subjected to heat and sunlight. To reduce brittleness, OREGON® strongly recommends that line be submerged in water for 24 hours.
